

GARDEN NOTES 2017

WHAT'S NEW IN THE GARDEN?

Construction on the garden's pergola, a major part of our Master Plan, began in late summer and will be completed in time for the 2017 season. This project was made possible through the generous financial support from Mr. Charles Carl, Jr. and the Carlilian Foundation.

October saw the installation of a bright, new sign, a very welcome sight to all the visitors to our garden.

UNION COLLEGE VOLUNTEERS WORK TO MAKE THE GARDEN BEAUTIFUL

The Rose Garden depends on volunteers and this past season, on several occasions, Union College students could be seen working alongside our regulars. We thank the Kenney Community Center for answering our call for helpers.

AN EVENING IN TUSCANY A GREAT SUCCESS

The Gade Farm, located in Guilderland, was awarded the Charles Carl, Jr. Honorary Award at our annual fundraiser in June for their continuing support to the garden over the years.

The River Stone Manor was transformed into an Italian villa for the evening and a good time was had by all.

THE GARDEN IS HOME TO MANY CREATURES

One lovely summer evening we witnessed two young children, along with their mom, release into the garden the butterflies they had hatched from a science kit.
